

BRIGHTER NIGHTS
LIGHTING TECHNOLOGIES

LIGHTING PARTNER PROGRAM

You run the jobs. Together, we accelerate growth.

A homeowner facing lighting website built to beat every installer site in your county, with instant estimates, online booking, financing, and real city pages, under your brand, paid for as a sliding share of what you actually earn. Your fees buy you the site outright.

15 SEATS

ONE PER COUNTY

7% DOWN TO 3%

FEES BUY THE SITE

WHAT THIS IS

A lighting business that sells itself online, **without you building it.**

Brighter Nights builds and runs the online side of your lighting business, under your brand, in your exclusive county. Your site is a homeowner only version of the system we run at brighternights.com. Only the tools a homeowner uses, nothing you have to manage. You focus on the work and pay only as a percentage of what you earn.

WHAT YOU GET

Your homeowner site

About 25 pages under your brand. Roofline and landscape services, financing, warranty, HOA, gallery, reviews, and five seasonal use case pages, all built to convert on a phone.

Instant estimates

Homeowners get a price range for their roofline in under a minute, without a public price list, then prequalify for financing in the same flow. Every estimate lands in your inbox.

Online booking

Site visits and installs booked straight into your calendar with a card deposit collected up front. No phone tag, no no shows.

Leads answered in 60 seconds

Every call, form, and booking is tracked to its source, and every new lead gets a text back within a minute, day or night, before a competitor can.

Your build dashboard

Watch your site come together in real time. See what we are working on, leave comments, suggest changes, and approve pages before they go live.

Photo and video library

Licensed use of thousands of real install photos and videos so your site looks like a company that has been doing this for years.

City pages you own

Ten real city pages with neighborhoods, map, local photos, and reviews, plus Google Business Profile and schema, so you show up when your county searches.

Reviews on autopilot

Google reviews embedded on the site with names and dates, and a two touch review request after every install so you pass 50 reviews fast.

Same house, three colors, one real install from the shared library. Every partner site launches with a full gallery on day one.

Same day

Product is stocked at distributors nationwide. Pick it up the same day, or have it shipped in 3 to 5 days. You never carry inventory to get started.

We audited the top installer sites in seven metros. Yours launches ahead of them.

Fourteen top ranking installer sites across Phoenix, Dallas, Orlando, Denver, Houston, Atlanta, and Chicago, plus the dealer pages Trimlight, Gemstone, and JellyFish give installers. What they have, and what yours has on day one.

ON THE SITE	MANUFACTURER DEALER PAGE	TOP INDEPENDENT INSTALLER	YOUR PARTNER SITE
Gallery, About, FAQ, Blog, Contact	Partial	Yes	Yes
Google rating and review count in the hero	No	Yes	Yes
Same house, many colors carousel, daytime view	No	Some	Yes
City pages the installer owns, map and local reviews	No	Few	Ten at launch
Instant estimate with a price range, no price list	No	1 of 14	Yes
Financing page with a named lender and prequal	No	3 of 14	Yes
Online booking with a deposit	No	None found	Yes
60 second automatic lead response	No	Rare	Yes
Warranty page, product and labor split	No	3 of 14	Yes
HOA documents and daytime photos	No	4 of 14	Yes
Who owns the domain and the leads	The manufacturer	The installer	You

78%

HIRE THE FIRST TO RESPOND

Your site texts every lead back inside a minute, day or night.

80%

WEIGH ONLINE BOOKING

Homeowners book a night demo or measure without a phone call.

26%

MORE LIKELY TO BUY

When financing prequal is in the quote flow. They also spend 30% more.

Why the bar is beatable. Manufacturer dealer pages are built to own first contact, so they will never add an estimate tool, booking, or financing for you. Independent dealers solved the skeleton and the proof, then stopped. An instant estimate, a named lender, and ten real city pages put you ahead of what the top dealers in Phoenix, Dallas, and Orlando publish today.

Survey figures from Podium, the Housecall Pro 2025 homeowner survey of 1,040, and Wisetack published results. Site audit September 2026. Sources on request.

Hire a marketing company, copy the best installer, or launch ahead of both.

What each route costs you in cash, time, and what you end up owning. Agency figures are 2026 published ranges. The installer column is the best independent site in the audit.

	GENERIC MARKETING AGENCY	BEST INSTALLER SITE TODAY	YOUR PARTNER SITE
Upfront cash	\$7,500 to \$20,000, before tools	Same, over years of revisions	\$0. You pay only from revenue you earn
Monthly retainer	\$1,500 to \$5,000 a month, paid whether or not you book a job	Usually an agency retainer too	None. One sliding fee that falls as you grow
Lighting knowledge	None. You teach them roofline, spacing, HOA, seasonality	Learned the hard way	Built in. We make the product and ran a dealership to \$1M
Photos and video	Stock, or wait for your first installs	Their own, built over years	Thousands of real installs, day one
Estimate tool, booking, financing	\$2,000 to \$10,000 each, extra	Rarely any of the three	All three, included
City pages	Extra, per page	A town list, a few real pages	Ten real pages at launch
Lead response	Your phone	Your phone	Text back inside 60 seconds, automatic
Time to launch	4 to 8 months is typical	Years	Live in 2 weeks, then it keeps growing
Ad spend help	You fund it all, plus a fee	You fund it all	We put 30% of our fee into your ads
What you own	The site, once paid in full	The site	The site, paid off by fees you already owed

YEAR ONE, SIDE BY SIDE, AT \$300,000 ESTIMATED LIGHTING REVENUE

AGENCY ROUTE

Custom site, mid range	\$12,000
Estimate tool and booking, add ons	\$8,000
Local SEO retainer, 12 months at \$2,000	\$24,000
Your hours, 120 at \$100 (page 7)	\$12,000

Before your first lead \$56,000

Paid whether the phone rings or not. No photo library. Live in month 4 to 8.

PARTNER ROUTE

Upfront	\$0
Fee, 7% on the first \$250,000	\$17,500
Fee, 6% on the next \$50,000	\$3,000

Paid, all from revenue earned \$20,500

\$6,150 of that goes into your ads. \$14,350 credits the ledger. Live in 2 weeks, with thousands of install photos on day one.

HOW IT IS PAID FOR

No upfront bill. The percentage falls as you grow.

You pay a sliding percentage of your gross lighting revenue. Each tier only applies to the dollars inside it, the same way tax brackets work, so growing never bumps your whole bill into a higher rate.

YOUR ANNUAL GROSS LIGHTING REVENUE	FEE ON THAT PORTION
First \$250,000	7%
\$250,000 to \$500,000	6%
\$500,000 to \$750,000	5%
\$750,000 to \$1,000,000	4%
Above \$1,000,000	3%

BLENDED RATE FALLS AS YOU GROW

Reported monthly, verified against your distributor purchases. Lighting revenue only. Your other trades are never touched.

WHAT THAT LOOKS LIKE IN DOLLARS

\$32,500

AT \$500,000 GROSS

6.5% blended. About \$2,700 a month.

\$55,000

AT \$1,000,000 GROSS

5.5% blended. About \$4,600 a month.

\$70,000

AT \$1,500,000 GROSS

4.7% blended. About \$5,800 a month.

WE PUT MONEY BACK IN

30% of our fee goes straight into advertising for your business

We ask you to match that 30% into your own local marketing. At \$500,000 gross that is roughly \$9,750 from us and \$9,750 from you, spent on ads that ring your phone, every year.

WHAT THE FEE IS NOT

Not a franchise fee

You keep your company name, your brand, and your customers. We never own any part of your business.

Not a cut of your other work

Only lighting revenue counts. If you also do gutters, roofing, or pavers, that money is yours alone.

Not money that disappears

30% goes into your ads. The other 70% credits toward owning your site. Page 8 shows how.

These are one year rates

Commit for two or three years and every tier drops half a point per extra year. The three options are laid out on page 9, and you pick one when you sign.

Your site has a real, stated value. Here is every dollar of it.

Every partner site carries a stated dollar value. We call it the ledger. It is what the site is worth after four to five years of us building, maintaining, and adding to it. A site that gets built once and left alone loses value every year. This one is never left alone.

PART 1 · WHAT GETS BUILT

Custom homeowner site, about 25 pages Services, financing, warranty, HOA, gallery, reviews, five use case pages	\$15,000
Ten city pages plus service area hub Local copy, map, schema, local reviews	\$5,000
Instant estimate with financing prequal A range based on your pricing, never published, named lender	\$7,000
Online booking with deposits	\$5,000
Lead tracking, 60 second response, review automation	\$4,000
Your build dashboard Progress, comments, approvals, weekly report	\$6,000
Photo and video library license Thousands of real installs, day one	\$7,500
Local SEO, schema, Google Business Profile	\$3,500
Copy, launch QA, speed, first year hosting	\$3,000
Build value	\$56,000

Mid range of 2026 published agency pricing.

INCLUDED EVERY YEAR · NOT ON THE LEDGER

WHAT YOUR FEE COVERS, YEAR AFTER YEAR	AGENCY RATE
Hosting, security, and maintenance Updates, backups, SSL, speed, uptime	\$3,600 / yr
Unlimited changes and additions New pages, copy edits, seasonal swaps, photo updates, whenever you ask	\$6,000 / yr
Ongoing local SEO Rankings, citations, new city and use case pages, content	\$18,000 / yr
Ad management Campaigns built, tuned, and reported, in your accounts	\$6,000 / yr
Weekly report and partner manager One to two hours a week, plus the partner community	\$9,000 / yr

What an agency would bill each year **\$42,600**

Contractor SEO retainers run \$1,500 to \$5,000 a month, maintenance plans \$100 to \$500 a month. None of this is billed to you. It is inside the fee.

Why the value depends on time. The \$80,000 on the next page is what this site is worth after four to five years of the work above. Ten city pages become twenty. Four blog posts become forty. Every season gets its own photos. A partner who leaves after year one walks away from most of that, which is why the payoff is built over about four years and why the first year is committed.

What the same thing costs when you buy it elsewhere.

The build on the previous page is only part of it. Hire a marketing company and two more bills show up that never make the quote. Your own hours, and the costs they add after you sign.

PART 2 · YOUR TIME WITH A MARKETING COMPANY

Discovery calls, onboarding forms, kickoff	12 hrs
Teaching them permanent lighting, spacing, products, HOA, seasons	30 hrs
Finding, shooting, and sending photos and video	25 hrs
Reading and correcting copy that gets the product wrong	20 hrs
Revision rounds, approvals, chasing status	20 hrs
Setting up and managing booking, tracking, review tools	13 hrs
120 hours at \$100 an hour	\$12,000

\$100 an hour is conservative for an owner in a trade where one sold job is worth \$4,000 to \$8,000.

PART 3 · HIDDEN COSTS AN AGENCY DOES NOT QUOTE

Discovery or strategy fee before any work starts	\$2,000
Stock photo and video licensing, because they have none	\$2,500
Booking, call tracking, review, and chat subscriptions, year one	\$3,600
Maintenance and hosting plan, year one	\$2,400
Revisions past the scope, billed hourly	\$1,500

First year hidden costs **\$12,000**

Every line is a cost we have seen contractors pay. None of them appear on an agency proposal.

LEDGER OPENING VALUE

Build \$56,000, plus your time \$12,000, plus hidden costs \$12,000. The ongoing service on the previous page is not on the ledger at all. It is inside your fee, and it is what makes the site worth this number after four to five years.

\$80,000

Your fees buy it. Paid off in about four years.

You never write a check for the site. Of every fee dollar, 30% goes into your ads and the other 70% credits the ledger. When the credits reach \$80,000 the site is yours.

THE RULE

70%

of every fee dollar credits against the ledger. The other 30% is spent on your ads, so it is not a buyout credit. When the credits reach the balance, the site is yours. Domain, content license, and ad accounts all transfer to you.

YOUR TERM IS YOUR CHOICE

The first year is the minimum. Commit for two or three and every tier drops half a point per extra year. The three options are on the next page, and you pick one when you sign.

1 YEAR · 7% TO 3%

2 YEARS · 6.5% TO 2.5%

3 YEARS · 6% TO 2%

WORKED EXAMPLE, ESTIMATED REVENUE

These are estimates of your lighting revenue, not a promise. Your fee is a percentage of what you actually earn, so lower revenue means a lower fee.

- **Year 1 · \$300,000 est. revenue**
Fee \$20,500. Credit \$14,350 of \$80,000.
- **Year 2 · \$400,000 est. revenue**
Fee \$26,500. Credits \$32,900.
- **Year 3 · \$500,000 est. revenue**
Fee \$32,500. Credits \$55,650.
- **Year 4 · \$600,000 est. revenue**
Fee \$37,500. Credits pass \$80,000 in month 12. The site is yours. Faster growth pays it off sooner.

AFTER IT IS PAID OFF

You own the asset. The growth service, ads, reports, and partner manager continue on the same sliding fee for as long as you want them, and stop whenever you say.

Want more than the base site

Extra pages, a new tool, a CRM. We quote it in writing, build after your approval, and it joins the ledger at that price when it ships. Maintenance and hosting never raise the ledger. If an add on pushes your payoff past year seven we flag it before you approve.

An asset you can point to

A site with a stated value on a live ledger is a business asset, the same as a truck or equipment, if you ever sell your company or bring on a partner.

FROM AUSTEN

I have grown lighting companies past a million dollars in gross revenue, including my own dealership in its first year, and I will be working with you directly. Bids, pricing, install problems, what to run in your ads, when to hire. My fee is a percentage of what you earn and nothing else, so I only get paid when you do. That is the whole point of the structure. I have a vested interest in your lighting company growing, and I will treat it like it is mine.

PICK YOUR TERM

One year is automatic. Commit longer and pay less.

Every partner signs for at least one year. That is how we cover a build you pay nothing up front for. If you already know you are in this for the long haul, a two or three year term lowers every tier by half a point per extra year. You choose at signing, and the choice is initialed on the last page.

OPTION 1

1 year

Automatic. Nothing to elect.

First \$250k	7%
Next \$250k	6%
Next \$250k	5%
Next \$250k	4%
Above \$1M	3%

Year one fee at \$300k est. revenue

\$20,500

Site paid off

Year 4

After year one, month to month with 30 days notice. Best if you want the shortest commitment.

OPTION 2

2 years

Half a point off every tier.

First \$250k	6.5%
Next \$250k	5.5%
Next \$250k	4.5%
Next \$250k	3.5%
Above \$1M	2.5%

Year one fee at \$300k est. revenue

\$19,000 saves \$1,500

Site paid off

Early year 5

After two years, month to month with 30 days notice. Best if you want a lower fee and a two season runway.

OPTION 3

3 years

A full point off every tier.

First \$250k	6%
Next \$250k	5%
Next \$250k	4%
Next \$250k	3%
Above \$1M	2%

Year one fee at \$300k est. revenue

\$17,500 saves \$3,000

Site paid off

Mid year 5

After three years, month to month with 30 days notice. Best if you want the lowest fee and plan to build this for years.

Why a longer term pays off a little later

Credits are 70% of the fee. A lower fee means smaller credits each year, so a three year partner reaches \$80,000 a few months after a one year partner would. In exchange you keep more of every job, every year, for the whole term.

If you leave a longer term early

You repay the discount you took, the difference between what you paid and the one year rates, plus the 30 day tail. If you leave because we failed to deliver, none of that applies.

At signing

You initial one option on the signature page. If nothing is initialed, the term is one year. Your term and your tiers are printed in your dashboard from day one.

You can leave if we do not deliver. We are covered if you do.

A partnership only works if both sides can point to the page that protects them. Here it is in plain language. The agreement at the back says the same thing in contract language.

WHAT WE OWE YOU

- **Live in 14 days**
Your Launch Scope goes live within 14 days of receiving your onboarding materials.
- **Phase two within 90 days**
City pages, use case pages, and the rest ship within 90 days of launch, as you approve them.
- **Your site stays up**
99.5% monthly uptime. If it is down more than 4 hours in a month we tell you why and what we fixed.
- **Ad money spent, on time**
30% of every fee payment goes into your ads within 60 days, in accounts you can see.
- **A report every week**
Ledger, credits, leads, rankings, what shipped. Miss four in a row and you have cause.
- **Someone who answers**
Partner manager response within one business day, and a defect fixed within 5 business days.

If we miss any of these and do not fix it within 7 days of your written notice, you can cancel, even inside your term. No tail, no trailing fee, and you can buy the site for the ledger balance minus your credits and nothing more.

WHAT YOU OWE US

- **One set of books, every job on it**
All lighting work counts, any entity or brand, cash or card. Reported job by job by the 10th, owner certified, paid in 10 days. We check it against distributor purchases and can audit twice a year.
- **Finish your term**
The first year is committed. Leave a longer term early and you repay the discount you took.
- **30 day notice, and the tail**
After your term, 30 days notice. Jobs quoted, contracted, or deposited before the notice period ends still owe the fee when the money lands.
- **Match the ad spend**
You put the same 30% into local marketing each year.
- **Brighter Nights on your installs**
Our product on your permanent lighting jobs, bought through your distributor.
- **Stay licensed and insured**
Your licenses current, \$1M general liability, customer consent for texts.

If you leave before the site is paid off and do not buy it out within 30 days, the site comes down and we keep it. You keep your brand, your customers, and everything you brought. Credits are not refunded.

7 days

TO CURE, EITHER SIDE

Written notice, then a fair window to fix it.

\$0

TRAILING FEE IF WE FAIL

The three month buyout add on is waived when the cause is ours.

Yours

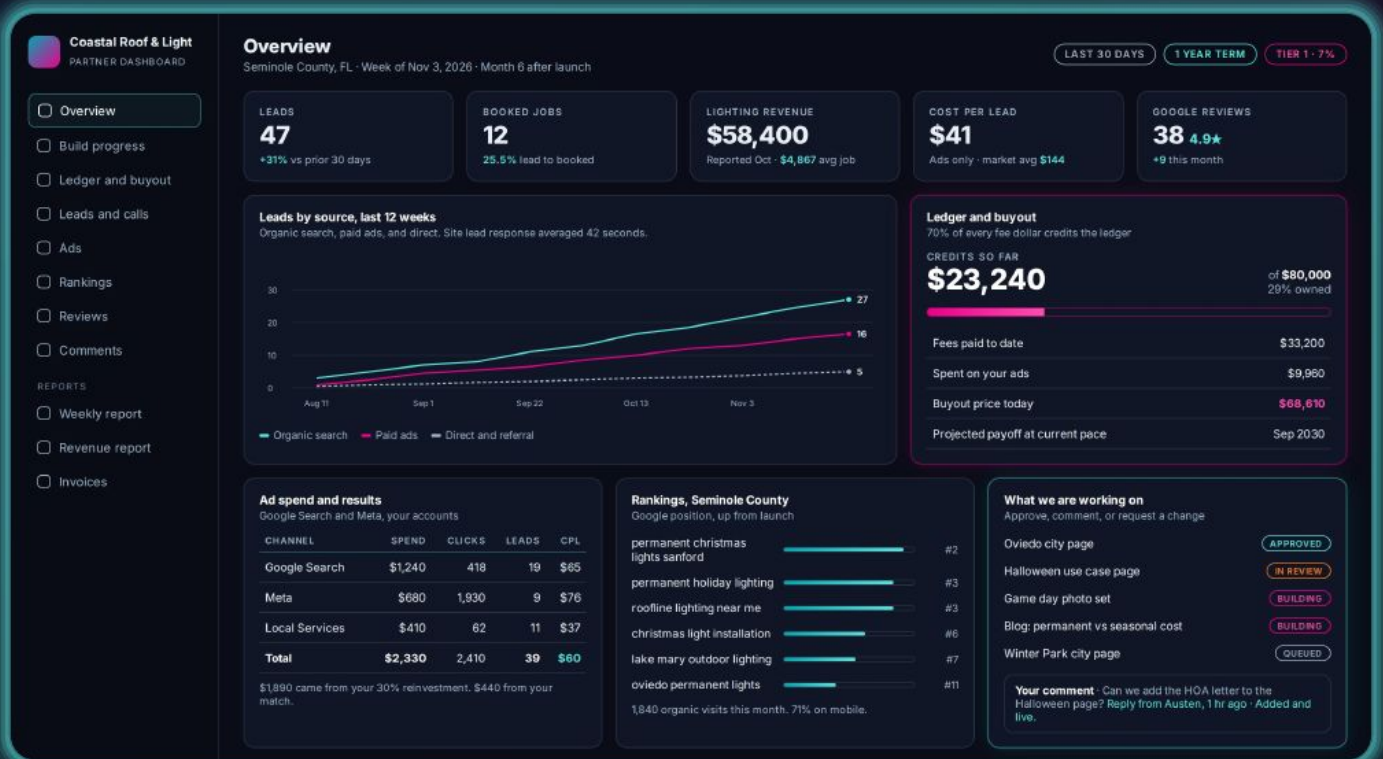

LEADS, CUSTOMERS, BRAND

From day one, in every case, no matter how it ends.

YOUR DASHBOARD

You see everything, every week.

This is your dashboard. From day one it shows what we are building, what shipped, and what it cost. After launch it is where your leads, ad spend, rankings, reviews, ledger, and buyout price live, updated every week.

Example partner, month six after launch. Figures are illustrative.

Leads and revenue

Every lead by source, calls, bookings, jobs booked, and the lighting revenue you reported.

Ads, in your accounts

THE TERMS

Everything in the agreement, in plain language.

Every line below has a matching clause in the Lighting Partner Agreement at the back. If anything here reads differently from the agreement, the agreement governs.

Term	1 year automatic, or 2 or 3 years at half a point off every tier per extra year. Then month to month, 30 days notice	Buyout	Any time. Ledger balance plus 3 months trailing fee, minus fees already credited
Fee	Sliding scale on all lighting revenue, any entity or brand, reported job by job monthly, verified against distributor purchases and your books	On exit	You keep the domain, content license, ad accounts, and licensed use of the photo library
Reinvestment	30% of our fee into your ads, matched by you	Product	Brighter Nights lighting on partner installs, bought through your distributor
Ledger	\$80,000 at launch. Approved add ons added at rate card on ship date	Equity	Optional conversion clause available, never required
Credit	70% of every fee dollar credits the ledger. The 30% spent on your ads does not	Cancel	After your term with 30 days notice, or any time we fail to deliver and do not fix it in 7 days

IN YOUR WEEKLY REPORT

LEDGER BALANCE

BUYOUT PRICE TODAY

WHAT SHIPPED AND WHAT IT COST

FEE TIER, MONTH TO DATE

LEADS, CALLS, BOOKINGS

RANKINGS

WHAT WE SUGGEST ADDING NEXT

Nothing goes on the ledger you did not approve in writing. Your fee is shown before the invoice, never after.

HOW EACH MONTH RUNS

By the 10th

You report last month's lighting revenue in the dashboard, job by job, and certify it. Takes about ten minutes.

Same day

The invoice posts with your tier and the math shown. Due in 10 days by ACH or card on file.

Within 60 days

30% of what you paid is spent on your ads, in your accounts, and shows up on the ads tab.

On payment

70% posts to your ledger as credit. Your buyout price and projected payoff date update the same day.

Every Monday the weekly report lands in your dashboard and your inbox. Leads, calls, bookings, rankings, reviews, what shipped, what is in review, and what we suggest next. If something is off you will know within a week, and so will we.

NEXT STEPS

Fifteen seats. One per county. When yours is taken, it is taken.

We onboard two partners a month so every launch gets full attention. The founding round closes at fifteen.

- 1 Qualification call**
20 minutes. Your county, your trade background, your goals for year one.
- 2 Territory check and seat offer**
We confirm your county is open and hold it for you for 7 days.
- 3 Agreement signed**
Attorney drafted language that mirrors the plain terms on page twelve. No surprises.
- 4 Live in 2 weeks**
Your site, estimate tool, booking, and tracking go live in 2 weeks. Then city pages, use case pages, and everything else keep shipping as you review and approve them in your dashboard.
- 5 Onboarding and first bids**
Product training, bidding help, and your first ads go live.
- 6 Launch**
Weekly reports begin the following week. Your ledger starts crediting on your first invoice.

STRAIGHT ANSWERS

Is a one year commitment normal?

Yes. Agencies charge \$7,500 to \$20,000 up front for less than this. You pay nothing up front, so the first year is how we cover the build. Commit longer and the fee drops.

Do I have to be a lighting contractor already?

No. Most founding partners are roofers, gutter, pool, paver, or electrical contractors adding lighting. We teach the product and the bidding.

Who owns the site while I am paying?

We do, until your credits reach the ledger. Then you do. Your brand, customers, and leads are yours from day one, and a domain you already own stays yours.

What if I want out?

After your term, give 30 days notice. If we fail to deliver and do not fix it in 7 days, you can leave any time with no tail. To keep the site, pay the ledger balance minus your credits.

What if I do some lighting jobs on the side?

They count. Every lighting job in your county is on the report, whichever company name or payment method. Product we can see you bought is deemed sold at 2.5 times cost if it is missing from the report.

Lighting Partner Agreement

This Lighting Partner Agreement (the **Agreement**) is between **BN Lighting Technologies, LLC**, a Florida limited liability company doing business as Brighter Nights Lighting Technologies, Sanford, Florida (**Brighter Nights**), and the contractor on the signature page (**Partner**). It is effective on the date of the last signature (the **Effective Date**). Pages 1 through 13 are the proposal and are incorporated for context. Where they differ, this Agreement controls.

1. Definitions

Gross Lighting Revenue means every amount Partner invoices or collects, whichever comes first, for the sale, design, installation, programming, repair, or maintenance of exterior lighting and related controls for customers in the Territory, including deposits, progress payments, change orders, and financed amounts at full contract value, less only sales tax collected and amounts refunded to a customer.

Territory means the county on the signature page.

Site means the website, domain, tools, integrations, content, and accounts in Exhibit A, plus approved Add Ons.

Ledger means the dollar value of the Site under Section 5.

Credits means the amounts applied against the Ledger under Section 5.2.

Fee means the amounts due under Section 3.

Dashboard means the online portal Brighter Nights provides to Partner. Absent manifest error, the Dashboard is the record of revenue reported, Fees, Credits, the Ledger, and approvals.

Add On means any feature, page, tool, or service Partner requests in writing beyond Exhibit A.

Committed Term means the 1, 2, or 3 year term Partner elects by initialing one option on the signature page. If no option is initialed, the Committed Term is 1 year.

2. Brighter Nights obligations

Brighter Nights will design, build, host, and maintain the Site under Partner's brand and provide the ongoing services in Exhibit A. Brighter Nights will (a) make the Launch Scope live within 14 days after Partner delivers the onboarding materials in Exhibit A; (b) ship the Phase Two Scope within 90 days after launch, subject to Partner's approvals in the Dashboard; (c) keep the Site available 99.5% of each month, excluding scheduled maintenance announced in advance; (d) deploy the advertising funds in Section 4 within 60 days of each Fee payment; (e) publish a weekly report in the Dashboard; (f) respond to Partner within one business day and fix any reported Site defect within 5 business days; and (g) provide one to two hours a week of partner manager time on request. Brighter Nights may substitute a tool or vendor of equal or better function. Brighter Nights does not guarantee leads, rankings, or revenue.

3. Fee

3.1 Partner pays a Fee equal to a percentage of Gross Lighting Revenue in marginal tiers per contract year: 7% of the first \$250,000; 6% of the next \$250,000; 5% of the next \$250,000; 4% of the next \$250,000; 3% above \$1,000,000. Tiers reset each contract year.

3.2 If Partner elects a Committed Term of 2 or 3 years, each percentage in 3.1 is reduced by 0.5 points for each year beyond the first, as shown in Exhibit B, for the whole Committed Term.

3.3 **Monthly report.** By the 10th of each month Partner reports the prior month's Gross Lighting Revenue in the Dashboard, job by job, with customer name, address, product footage, and amount, and the owner certifies the report as complete and accurate. Brighter Nights invoices on receipt. Payment is due within 10 days by ACH or card on file. Late amounts accrue interest at 1.5% per month or the maximum lawful rate, whichever is less, plus reasonable collection costs.

3.4 **All lighting work counts.** Gross Lighting Revenue includes every lighting job performed in the Territory by Partner, its owners, employees, subcontractors, any affiliate or entity under common ownership or control, or any other trade name Partner uses, whether the lead came from the Site or anywhere else, and whether paid by card, check, financing, cash, or trade. Partner will not route lighting work through another person, entity, or brand, and will not split, defer, or relabel invoices, to reduce the Fee.

3.5 **Books and records.** Partner keeps complete and accurate books of all lighting work in one accounting system, issues an invoice through that system for every lighting job, collects Site booking deposits through the payment processor connected to the Site, and keeps invoices, contracts, bank and processor statements, and distributor purchase records for three years after the term. On request Partner provides a monthly sales report from its accounting system within 5 business days.

3.6 **Verification and audit.** Brighter Nights may compare reported revenue to Partner's distributor purchases, Site bookings, estimates, and leads at any time, and may audit Partner's lighting records on 10 days notice, up to twice a year. If product purchases in any quarter would support more revenue than Partner reported, Brighter Nights may deem Gross Lighting Revenue to equal 2.5 times Partner's product cost for that quarter unless Partner shows otherwise with records within 15 days.

3.7 **Shortfalls.** If an audit or verification shows underreporting above 5% in any period, Partner pays the shortfall, interest, and the audit cost within 10 days. Underreporting above 15% or any knowing misstatement is a material breach without a cure period, and all Credits are forfeited.

3.8 Nothing is due before launch. The first invoice covers the first calendar month with Gross Lighting Revenue after launch.

4. Advertising reinvestment

Brighter Nights spends an amount equal to 30% of each Fee payment on paid advertising for Partner's lighting business in the Territory, in accounts registered to Partner. Partner spends a matching amount on local marketing for its lighting business each contract year and shows proof on request. Amounts spent under this Section are not Credits.

5. Ledger, Credits, and ownership

5.1 The Ledger opens at \$80,000 on the Effective Date, the agreed value of the Launch Scope and Phase Two Scope as built, hosted, maintained, and expanded by Brighter Nights over the term. The parties agree this is a negotiated value not subject to reappraisal. Approved Add Ons are added at the written quoted price on the day they ship. Maintenance, hosting, and bug fixes never increase the Ledger.

5.2 70% of every Fee dollar Brighter Nights receives is applied as a Credit.

5.3 When Credits equal or exceed the Ledger, Brighter Nights transfers to Partner within 30 days, at no further charge, the domain, the Site files and content, the licenses in Section 8, and administrative control of the advertising and tracking accounts (the **Transfer**). Until the Transfer, Brighter Nights owns the Site and licenses it to Partner for the term.

5.4 Partner may buy out at any time by paying the Ledger less Credits, plus an amount equal to the Fees paid in the three months before the buyout date (the **Trailing Fee**). The Transfer follows within 30 days of payment.

5.5 If an Add On would push the projected Transfer date past seven years from the Effective Date at Partner's trailing revenue, Brighter Nights will say so in writing before Partner approves it.

6. Term and termination

6.1 The initial term is the Committed Term, which begins on the Effective Date. The Agreement then continues month to month.

6.2 After the Committed Term either party may terminate for convenience on 30 days written notice (the **Notice Period**).

6.3 **Tail.** The Fee applies to all Gross Lighting Revenue invoiced or collected through the last day of the Notice Period, and to all Gross Lighting Revenue from any job that Partner quoted, estimated, contracted, or took a deposit on before the last day of the Notice Period, whenever the remaining amounts are invoiced or collected. Partner reports

and pays on those amounts under Section 3 until fully collected.

6.4 **Partner's right to cancel for non performance.** If Brighter Nights fails to meet any obligation in Section 2 or 4 and does not cure within 7 days after Partner's written notice describing the failure, Partner may terminate immediately, including during the Committed Term. In that case Section 6.3 does not apply, no discount is recaptured under 6.6, and Partner may buy out under 5.4 within 60 days without the Trailing Fee.

6.5 **Termination for cause by either party.** Either party may terminate on 7 days written notice if the other materially breaches and fails to cure within that period. Brighter Nights may terminate immediately if Partner fails to pay within 30 days of an invoice, breaches Section 3.4 or 3.7, loses a license required to operate, or becomes insolvent.

6.6 **Leaving a Committed Term early.** If Partner terminates a 2 or 3 year Committed Term before it ends, other than under 6.4, Partner pays within 30 days the difference between the Fees actually paid and the Fees that would have been due at the 1 year rates in 3.1, and Section 6.3 applies.

6.7 **Effect.** On any termination before the Transfer, Partner may buy out under 5.4 (or 6.4) within the stated window. If Partner does not, Brighter Nights may take the Site offline and retains the Site, the domain it registered, and the Library. Partner keeps its brand, customer records, leads, and any Partner supplied materials in every case. Credits are not refundable.

6.8 Sections 3, 5.4, 6.3, 6.6, 6.7, 8, 9, 11, 12, and 14 survive termination.

7. Territory and exclusivity

7.1 During the term Brighter Nights will not sign a Lighting Partner Agreement with another contractor for the Territory. Brighter Nights continues to sell product through distribution to anyone. Homeowner inquiries Brighter Nights receives from the Territory are routed to Partner first.

7.2 During the term Partner installs Brighter Nights lighting products, bought through an authorized distributor, on every permanent lighting job it sells in the Territory, except repairs to existing non Brighter Nights systems and jobs where the customer specifies another product in writing. Partner remains free to perform any other trade.

7.3 Partner uses the Site, the Library, and the leads it produces only for Partner's lighting business in the Territory.

8. Intellectual property and licenses

8.1 Partner owns its business name, logo, customer list, leads, customer data, and materials it supplies, and licenses them to Brighter Nights for use in the Site during the term. Brighter Nights may use aggregated, anonymized performance data.

8.2 Brighter Nights owns the Site code, templates, tools, estimate logic, and the photo and video library (the **Library**). During the term Partner has a non exclusive license to display Library items on the Site and in its own marketing in the Territory. After the Transfer Partner keeps a perpetual, non exclusive, non transferable license to the Library items on the Site at the Transfer, for Partner's lighting business only. Partner may not resell, sublicense, or supply Library items to anyone else.

8.3 After the Transfer Brighter Nights keeps ownership of its platform, tools, and templates and grants Partner a perpetual license to keep using them within the Site. Brighter Nights may reuse general know how, layouts, and tooling for other partners.

8.4 A domain Partner already owns stays in Partner's name and Brighter Nights manages DNS during the term. A domain Brighter Nights registers is held by Brighter Nights until the Transfer.

9. Partner obligations

Partner will hold every license, registration, and insurance required to sell and install lighting in the Territory, including general liability of at least \$1,000,000 per occurrence, and provide certificates on request. Partner is solely responsible for its sales, pricing, installations, customer warranties, and employees. Partner will respond to leads promptly, keep the Dashboard and its books current under Section 3.5, obtain customer consent for text and email communications, comply with consumer protection, telemarketing, and licensing laws, and make no claims about Brighter Nights products beyond published specifications.

10. Independent contractor, no franchise

The parties are independent contractors. Nothing here creates a partnership, joint venture, employment, agency, or franchise. Partner operates under its own name and brand, sets its own prices, and controls its own operations. Brighter Nights provides no operating system, required marketing plan, or trademark license, and Partner pays no fee for the right to use any Brighter Nights mark. Partner has not relied on any representation of expected revenue or profit.

11. Confidentiality and non solicitation

Each party keeps the other's non public business information confidential during the term and for three years after. During the term and for 12 months after, Partner will not solicit any Brighter Nights employee or contractor, and will not use Brighter Nights rate cards, tooling, or partner materials to build or offer a competing partner program. Partner is free to continue in the lighting trade after this Agreement ends.

12. Warranties, disclaimers, liability

12.1 Brighter Nights warrants it will perform the services in a professional manner and will fix any Site defect reported at

no charge under Section 2(f). Product warranties are provided separately under Brighter Nights product terms and run to the customer.

12.2 Except as stated here the Site and services are provided as is. Brighter Nights does not warrant uninterrupted operation, search rankings, lead volume, or advertising results.

12.3 Neither party is liable to the other for lost profits or indirect, incidental, or consequential damages. Brighter Nights total liability is limited to the Fees paid in the 12 months before the claim. These limits do not apply to indemnity obligations, breach of Section 8 or 11, or fraud.

12.4 Partner indemnifies Brighter Nights against third party claims arising from Partner's installations, sales practices, customer communications, or breach of law. Brighter Nights indemnifies Partner against third party claims that the Site code or Library, as delivered, infringes a United States copyright or trademark.

13. Equity conversion option

At Partner's written request the parties may negotiate converting future Fees into an equity interest in Partner's company. Neither party is obligated to agree, and no equity is created by this Agreement.

14. General

14.1 **Governing law and venue.** Florida law governs without regard to conflict of laws rules. Any dispute is brought exclusively in the state or federal courts in Seminole County, Florida, and each party consents to that jurisdiction. Before filing, the parties will meet in good faith, by video if needed, within 15 days of a written dispute notice.

14.2 **Jury waiver.** Each party knowingly waives trial by jury for any dispute under this Agreement.

14.3 **Attorney fees.** The prevailing party recovers reasonable attorney fees and costs.

14.4 **Sale of Partner's business.** Partner may not assign this Agreement or transfer control of Partner without Brighter Nights' written consent, not unreasonably withheld for a non competitor buyer that assumes this Agreement in writing and agrees the Fee covers all lighting revenue in the Territory, including through the buyer's other businesses. Partner gives 30 days notice before closing. Credits pass to the approved buyer. Or Partner may end this Agreement at closing by paying 5.4 plus all Fees, 6.3, and 6.6 amounts then owed. A sale that ignores this Section is a material breach. Brighter Nights may assign to an affiliate or successor.

14.5 **Force majeure.** Neither party is liable for delay caused by events beyond its reasonable control, except payment obligations.

14.6 **Notices.** Written notices go by email to the addresses on the signature page with a copy by mail, effective the next business day.

14.7 **Entire agreement.** This Agreement with Exhibits A and B is the entire agreement and replaces all prior discussions. Changes must be in writing signed by both parties, except Add Ons approved in the Dashboard. If a term is unenforceable the rest stands. Electronic signatures are binding.

Exhibit A · Scope

Launch Scope, live within 14 days of onboarding materials.

Homeowner facing website under Partner's brand with Home, permanent roofline lighting, landscape lighting, gallery, reviews, about, FAQ, financing, and contact pages; instant estimate tool producing a price range from Partner's pricing with financing prequalification link; online booking with card deposit; call, form, and booking tracking with source attribution; automated 60 second text response to new leads; embedded Google reviews and two touch review request automation; Google Business Profile setup or cleanup; Organization, LocalBusiness, Service, and FAQPage schema; hosting, SSL, and speed tuning; Library gallery; Dashboard with build progress, comments, approvals, Ledger, and weekly report.

Phase Two Scope, within 90 days of launch. Ten city pages

plus service area hub; warranty, HOA, support, commercial, and five seasonal use case pages; blog with four launch articles; same house color carousel with daytime view; hero video placement.

Ongoing services. Hosting, maintenance, security updates, monthly ad management, weekly report, one to two hours a week of partner manager time, partner community access, bidding and install support by request.

Partner onboarding materials. Logo and brand colors, business license and insurance certificate, service list and pricing inputs for the estimate tool, calendar access for booking, Google Business Profile access, payment processor for deposits, any Partner photos.

Not included. Ad spend beyond Section 4, print, vehicle wraps, photography of Partner's jobs, a CRM beyond the lead inbox, and anything not listed, which is quoted as an Add On.

Exhibit B · Committed Term rates

COMMITTED TERM	FIRST \$250K	NEXT \$250K	NEXT \$250K	NEXT \$250K	ABOVE \$1M
1 year	7%	6%	5%	4%	3%
2 years	6.5%	5.5%	4.5%	3.5%	2.5%
3 years	6%	5%	4%	3%	2%

Signatures

By signing, each party agrees to this Agreement, Exhibit A, and Exhibit B, and Partner confirms the Committed Term initialed below.
